CAREER OBJECTIVE

As an **aspiring frontend developer** with a passion for continuous learning, I am seeking a **part-time role or internship opportunity** where I could both apply and enhance my coding skills as well as problem-solving abilities in a **dynamic web development environment**. My long-term goal is to evolve into a **full-stack developer**, gaining comprehensive expertise across the entire development spectrum.

SKILLS

- Web development technologies: React, Next.js Tailwind CSS, TypeScript
- Programming languages: JavaScript, Python, C++, C#
- AI & Machine learning with PyTorch
- Managing PostgreSQL databases
- Analytical thinking & problem-solving skills
- Communication fluency in English

EXPERIENCE

PwC SDC, Katowice - *Process Specialist*
